SCHOOL MISSION STATEMENT

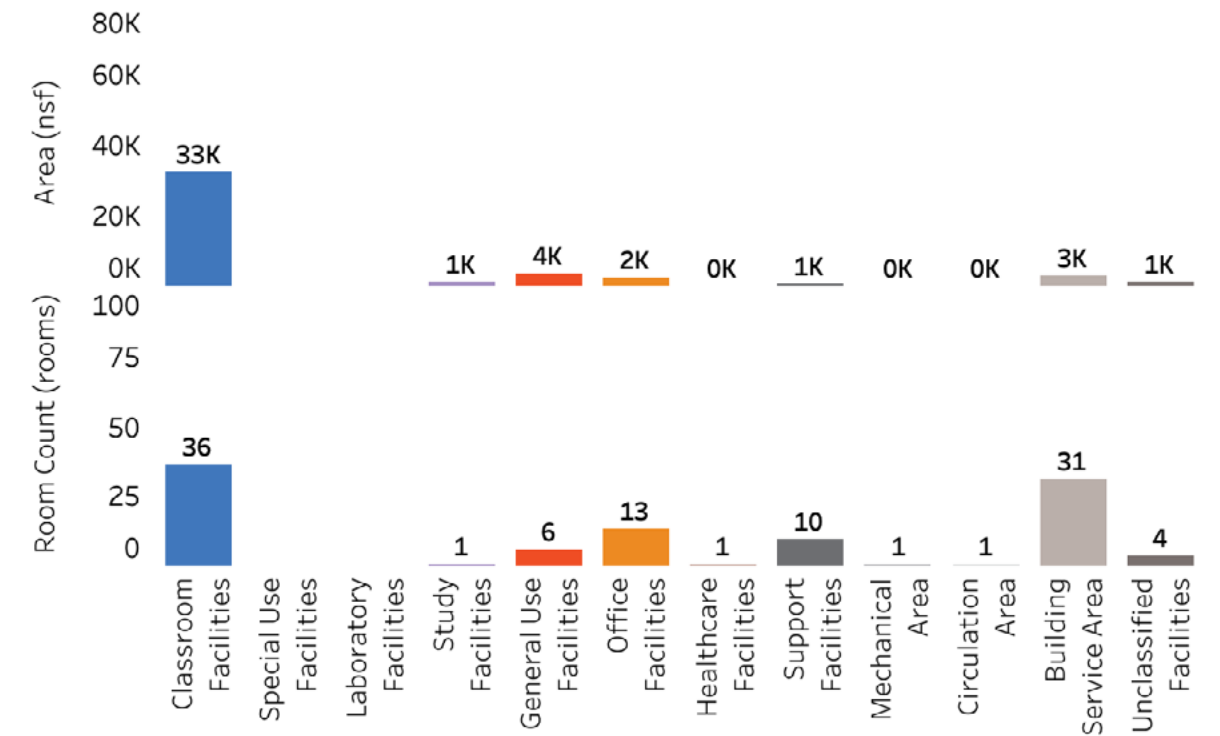

Elkhorn Elementary School serves a rural, residential community in the northern section of North Monterey County Unified School District. Elkhorn Elementary School's team consists of dedicated students, parents, staff and community members who share a collective responsibility to create a learning environment in which all students grow and succeed. Elkhorn School is proud of its collaborative efforts to increase student achievement. Staff members meet regularly to seek ways to improve its school programs. Teachers meet in grade level groups to examine student work, discuss instructional challenges, devise strategies and develop action plans to meet our goals.
